# 13TH SUNDAY IN ORDINARY TIME

He took the child by the hand and said to her, "Talitha kum,"  
which means, "Little girl, I say to you, arise!"

Mk 5:41

La tomó de la mano y le dijo: "¡Talithá, kum!",  
que significa: "¡Óyeme, niña, levántate!"

Mk 5, 41

# 13° DOMINGO DEL TIEMPO ORDINARIO

## **XIII SUNDAY IN ORDINARY TIME (Mc 5,21-43)**

Evangelical phrase: «Your faith has healed you. Go in peace and health»>>>

Preaching topic: THE LORD OF LIFE

1. It is logical that sick and suffering people turn to God, asking for their own health or that of their children. According to the gospel, this is what the people did with Jesus. Because they are directed to God, the prayers of the faithful, which are prayers of petition expressed after the readings and the profession of faith, are justified. Naturally, the prayer of thanksgiving or Eucharistic prayer is left for last.

2. When a person is truly good and has the Spirit of God, life springs from within him. Faith is vital dynamism. Without faith there is no healing; there would be magic. Jesus' healings are revealed to his disciples as samples of the action of God, who does not discriminate against those who ask him, but who gives health to those who do it with faith, with confidence in the will of God.

3. The healed woman leaves "in peace", with interior and exterior plenitude of desires for a full and shared life. The girl "stood up and started walking," which is equivalent to being resurrected to a new life, a life of conversion.

### **CHRISTIAN REFLECTION:**

What types of requests do we make to God, and at what times?

## **XIII DOMINGO DEL TIEMPO ORDINARIO (Mc 5,21-43)**

Frase evangélica: «Tu fe te ha curado. Vete en paz y con salud»>>>

Tema de predicación: EL SEÑOR DE LA VIDA

1. Es lógico que el pueblo enfermo y dolorido se dirija a Dios pidiéndole la salud propia o la de sus hijos. Así lo hicieron las gentes con Jesús, según narra el evangelio. Por ser dirigidas a Dios, se justifican las oraciones de los fieles, que son preces de petición expresadas después de las lecturas y de la profesión de fe. Naturalmente, queda para el final la plegaria de acción de gracias u oración eucarística.

2. Cuando una persona es buena de verdad y tiene Espíritu de Dios, brota vida de su interior. La fe es dinamismo vital. Sin fe no hay curación; habría magia. Las curaciones de Jesús son reveladas a sus discípulos como muestras de la acción de Dios, que no discrimina a quien le pide, pero que da la salud a quien lo hace con fe, con confianza en la voluntad de Dios.

3. La mujer curada se va «en paz», con plenitud interior y exterior de deseos de vida plena y compartida; la niña «se puso en pie y echó a andar», que equivale a resucitar a una nueva vida, vida de conversión.

### **REFLEXIÓN CRISTIANA:**

¿Qué tipo de peticiones le hacemos a Dios y en qué momentos?

**ST. JUDE PRAYER OF HOPE**

St. Jude, you witnessed the healing power of our Lord Jesus. You saw His compassion for the sick and dying. You yourself touched the sick, shared the sorrows of the mournful, and encouraged the despairing. You received this authority and healing power to work wonders, to cure the incurable, to make people whole. We ask you to intercede with our brother, Jesus, to send His saving grace to heal the sickness and suffering of St. Jude Parishioners, to uplift his/her despondent spirit, and to instill hope in his/her heart.

Peter's Pence collection is a gesture of solidarity through which every member of the faithful can participate in the activity of the Pope as Pastor of the universal Church. This collection works to benefit our brothers and sisters who are on the margins of society which include victims of war, oppression, and disasters. Please give generously to help Pope Francis carry out his charitable works.
